

Set and forget it. Reduce sticky buildup and odors in drip trays and drain lines

Cut Labor | Avoid service calls | Protect equipment

WHY CHOOSE DISPENSER GUARD?

Time-release cleaning — up to 30 days* of clean

Non-dissolving formula — no residue

Stops odors, mold & slime before they start

Food-safe & NSF-certified ingredients

Fits any plastic or stainless drip tray

Dispenser Guard keeps your counters fresh, trays clean, and pests away—no daily scrubbing required. It cuts labor by up to 80%, helps avoid costly service calls, and protects your equipment for the long haul.

PERFECT FOR: Convenience stores | Fast Food & restaurants | Cafeterias | Stadium concessions | Break-rooms

HOW IT WORKS (SO SIMPLE!)

Remove from plastic.

Place the knit covered block in the drip-tray, near the drain.

Replace when needed! typically 30 days*
